

Second Reading and Adoption
Regular Meeting
September 17, 2020

PALOMINO VALLEY GENERAL IMPROVEMENT DISTRICT

RESOLUTION NO. F20-R2

AMENDMENT OF RESOLUTION NOS. F89-R1 AND F91-R1 AND MOTION NO. F93-M5

SNOW REMOVAL

WHEREAS, on January 3, 1989, the Board of Trustees approved Resolution No. F89-R1, Administrative, Road Committee and Priority Roads for Snow Removal; and

WHEREAS, on April 9, 1991, the Board of Trustees approved Resolution No. F91-R1, Road Maintenance, Snow Removal; and

WHEREAS, on January 26, 1993, the Board of Trustees approved Motion No. F93-M5, Amending Resolution No. F91-R1, Snow Removal on Private Roads and Driveways;

NOW, THEREFORE, be it RESOLVED, that this resolution amends and supersedes all previous resolutions and policies regarding snow removal, as follows:

- Snow removal from GID-maintained roads should be performed when snow depths reach six inches. It is understood that snow depth determinations are subjective as snow accumulation varies rapidly with elevation, wind patterns, etc.
- If significant snowmelt from sunshine or above freezing temperatures are forecast, snow removal from higher elevation roads first may be appropriate.
- If snow depths are significant (greater than six inches) throughout the valley, or if clouds and colder temperatures retard snowmelt, the major collector roads should be plowed first (i.e. Ironwood, Whiskey Springs, Axe Handle, Amy, Wilcox Ranch, and Range Land Roads).
- The GID operations manager shall establish priorities, schedules, and the potential need for overtime to accomplish these goals.
- Snow removal shall be performed as needed on a seven-days-a-week schedule.

BE IT FURTHER RESOLVED that this Resolution be spread at large upon the minutes or attached thereto.

Upon motion by Trustee, _____, seconded by Trustee _____, the foregoing Resolution was passed and adopted this _____ day of _____, 2020 by the following vote:

AYES:
